Subject Index

A

Abscess(es)
brain, multiple, secondary to dental caries and periodontal disease, 244
dentoalveolar, acute, microbiology and management, 452
Actinomycetes in oral and cervicofacial lesions, 458
Alveolar nerve injuries, recovery of sensation following, 177
Alveolar ridge mucosa, fixation during vestibuloplasty procedure, 370
Ameloblastic carcinoma with pulmonary metastases, 503
Ameloblastic odontosarcoma with epithelial atypia, 45
Analgesics, local, present research in, 390
Angioedema, acquired, 499
Angiography, preoperative in reconstructive microsurgery, 317
Apicectomy retractor, a new, 169

B

Bacteria, anaerobic, in jaw cysts, 62
Bleomycin, oral leukoplakia topically treated with, 491
Blue naevus, intraoral combined, 165
Blue rubber-bleb naevus syndrome, 160
Bone cavity, Stafne, *see* Stafne bone cavity
BOOK REVIEWS
Notes on Style and the Preparation of Manuscripts (1987), 261
Avery, J.K., ed. (1987) Oral Development and Histology, 86
Bailey, B.J., ed. (1987) Surgery of the Mandible, 349
Carl, W. and Sako, K., eds. (1986) Cancer and the Oral Cavity, 85
Cohen, S. and Burns, R. C., eds. (1987) Pathways of the Pulp, 349
Derrick, D.D., ed. (1987) The 1987 Dental Annual, 85
Grant (1987) Peridontics, 521
Habal, M. B. and Morain, W. D., eds. (1987) Advances in Plastic Surgery, Vol. 3, 261
Hiatt, J. L. and Gartner, L. P. (1987) Textbook of Head and Neck Anatomy, 263
Hopkins, R. (1987) A Colour Atlas of Preprosthetic Surgery, 174
McCoy, F. G., Braner, R. O., Haynes, B. W., Hoehn, R. G., Miller, S. H., and Whitaker, L. A., eds. (1988) 1987 Year Book of Plastic and Reconstructive Surgery, 262
Marsh, J. L., ed. Long Term Results of Craniofacial Surgery, 263
Millard, D. R. (1986) Principlization of Plastic Surgery, 174
Myers, E. N. Advances in Otolaryngology — Head and Neck Surgery, Vol. 1, 521
Poswillo, D., Babajews, A., Bailey, M. and Foster, M. (1986) Dental, Oral and Maxillofacial Surgery —A guide to Hospital Practice, 86
Schmoker, R. R. (1987) Functional Reconstruction of the Mandible, 440
Seward, G. R., Harris, M. and McGowan, D. A. (1987) Killey and Kay's Outline of Oral Surgery, Part 1, 351
Shaw, J. and Lancer, J. (1987) A Colour Atlas of Fibreoptic Endoscopy of the Upper Respiratory Tract, 351
Sheen, J. H. and Shenn, A. (1987) Aesthetic Rhinoplasty, 350
Silver, C. E. (1986) Atlas of Head and Neck, 262
Stark, R. B., ed. (1987) Plastic Surgery of the Head and Neck, Vol. 1 and 2, 261
Tucker, H. M. (1987) The Larynx, 440
Urbaniak, J. R. (1987), Microsurgery for Major limb Reconstruction, 350
Wander, P. and Gordon, P. (1987) Dental Photography, 520
Brain abscesses secondary to dental caries and severe periodontal disease, 244
Buccal mucosa, osseous choristoma of, 78

C

Cancer, *see* Tumours
Carcinoma
ameloblastic, with pulmonary metastases, 503
squamous cell, *see* Squamous cell carcinoma
Careers of dentists undertaking a medical qualification, 443
Caries, dental, multiple brain abscesses secondary to, 244
Cervicofacial lesions, actinomycetes in, 458
Cervicofacial toxoplasmosis, 70
Champy plate template, 171
Cheek-splitting approach to posterior oral cavity, 326
Chlorhexidine irrigation, effect on incidence of dry socket, 395
Chloroma, maxillary, 124
Chondromatosis, synovial, of temporomandibular joint, 297
Choristoma, osseous, of buccal mucosa, 78

Cleft lip and palate, prevalence in Japan, 232
Condyles, mandibular, eosinophilic granuloma of, 306
Cryoneurotomy for intractable temporomandibular joint pain, 26
Cryotherapy (cryoanalgesia) in management of paroxysmal trigeminal neuralgia, 18
Cysts, jaw, anaerobic bacteria in, 62

D

Dental graduates at British medical schools, study of, 89
Dentists undertaking a medical qualification, careers of, 443
Dentoalveolar abscess, acute, microbiology and management, 452
Denture fragment, inhalation, complicating facial trauma, 511
Dry socket, *see* Socket

E

Ectopic nasal dentition associated with squamous cell carcinoma of the palate, 58
Ehlers-Danlos syndrome type II, multiple odontogenic keratocysts in, 205
Emphysema, mediastinal, complicating a zygomatic fracture, 141
Endodontic therapy, early post-operative, inflammatory root resorption limited by, 364
Eosinophilic granuloma of mandibular condyle, 306
Epidermal growth factor receptor expression on oral squamous cell carcinoma, 381
Epithelial atypia, ameloblastic odontosarcoma with, 45
Epulis, congenital, 237
Extraction, socket filling with blood and painful socket following, effect of smoking on, 402

F

Facial nerve paralysis complicating bilateral mandibular fracture, 149
Fibrosarcoma, maxillary, with extracellular immuno-characterisation, 36
Fibrous histiocytoma, malignant, arising in sites of previous irradiation, 221
Foreign body, infraorbital, unusual, 426
Fractures, faciomaxillary, in North India, management, *see also* Injuries *and specific structures*

G

Gnathodynanometer, pain assessment using, 284
Graduates, dental, at British medical schools, a study of, 89
Granuloma, eosinophilic, of mandibular condyle, 306

H

Haemangiopericytomas of head and neck, 107
Head, haemangiopericytomas of, 107
Hemifacial hyperplasia, congenital, 344
Histiocytoma, fibrous, malignant, arising in sites of previous irradiation, 221
Hyperplasia, congenital hemifacial, 344

I

Immuno-characterisation, extracellular of a maxillary fibrosarcoma, 36
India, North, management of faciomaxillary fractures in, 430
Infections, acute dentoalveolar abscess-related, 452
Inflammatory root resorption limited by early post-operative endodontic therapy, 364
Infraorbital foreign body, unusual, 426
Infraorbital nerve, healing process of, influence of mode of treatment of zygomatic bone fractures on, 419
Infra-red laser radiation, low-energy, effect on wound healing in rats, 12
Inhalation of denture fragment complicating facial trauma, 511
Injuries/trauma, *see also* Fractures
  alveolar nerve, inferior, sensation following, recovery of, 177
  facial, inhalation of denture fragment complicating, 511
  maxillofacial
    aetiology, and the seat belt law, 353
    psychosocial study of patients with, 199
    in Zimbabwe, retrospective studies of, 435
Intramandibular sliding myo-osseous graft, 472
Irradiation, sites of previous, malignant fibrous histiocytoma arising in, 221

J

Japanese, cleft lip and palate in, prevalence, 232
Jaw cysts, anaerobic bacteria in, 62

K

Keratocyst, odontogenic
  multiple, in type II Ehlers-Danlos syndrome, 205
  orthokeratinised, in Malaysians, 215
  squamous cell carcinoma arising in an, 52

L

Labial commissure, leukoplakia of the, 133
Labial segment, lower, stability after correction of class III skeletal discrepancy, 190
Laser, CO_2, tongue resection with, 464

Laser radiation, infra-red, effect on wound healing, 12
Letters to Editor, 517
Lesions, oral and cervicofacial, actinomycetes, 458
Leukaemic deposits, maxillary chloroma appearing as, 124
Leukoplakia
of labial commissure, 133
oral, bleomycin topical treatment of, 491
Local analgesics, present research in, 390
Lungs, lymphangitis carcinomatosa of the, 228, *see also* Pulmonary metastases
Lupus erythematosus, 129
Lymphangitis carcinomatosa of the lungs, 228

M

Malaysians, orthokeratinised odontogenic keratocysts in, 215
Mandible
ascending ramus of the, radiolucency, 81
condyle of, eosinophilic granuloma of, 306
defects, delayed reconstruction, intramandibular sliding myo-osseous graft for, 472
fracture of the
bilateral, facial nerve paralysis complicating, 149
unusual type of, 157
osteomyelitis of, associated with osteopetrosis, 330
Maxillary chloroma, 124
Maxillary fibrosarcoma with extracellular immuno-characterisation, 36
Maxillectomy, partial, immediate obturation for, 255
Mediastinal emphysema complicating a zygomatic fracture, 141
Medical schools, British, dental graduates at, study of, 89
Meniscectomies, temporomandibular joint, 311
Metastases, pulmonary, ameloblastic carcinoma with, 503
Metrograph, reflex, in three-dimensional measurement, 276
Microbiology of acute dentoalveolar abscess, 452
Microscope, reflex, in three-dimensional measurement, 276
Microsurgery, reconstructive, preoperative angiography in, 317
Midazolam with nalbuphine or pentazocine, comparative study of, 95
Mucosa, buccal, osseous choristoma of, 78
Myeloid leukaemic deposits, maxillary chloroma appearing as, 124
Myo-osseous graft, intramandibular sliding, 472

N

Naevus, blue, intraoral combined, 165, *see also* Blue rubber-bleb naevus syndrome
Nalbuphine or pentazocine with midazolam, comparative study of, 95
Neck, haemangiopericytomas of, 107
Nerve
alveolar, inferior, injuries to, sensation following recovery of, 177
facial, paralysis, bilateral mandibular fracture complicated by, 149
Neuralgia, paroxysmal trigeminal, cryotherapy in management of, 18

O

Oblique tendon, superior, orbital injury complicated by entrapment of, 336
Obturation for partial maxilloectomy, immediate, 255
Odontogenic keratocyst, *see* Keratocyst
Odontosarcoma, ameloblastic, with epithelial atypia, 45
Oral cavity, posterior, cheek-splitting approach to, 326
Orbital injury complicated by entrapment of superior oblique tendon, 336, *see also entries under* Infraorbital
Orthokeratinised odontogenic keratocysts, in Malaysians, 215
Osseous choristoma of buccal mucosa, 78
Osteogenic sarcoma in the tongue, 248
Osteomyelitis of mandible associated with osteopetrosis, 330
Osteopetrosis, osteomyelitis of mandible associated with, 330

P

Pain
socket, post-extraction, effect of smoking on, 402
temporomandibular joint, intractable, cryoneurotomy for, 26
wisdom tooth removal-related, assessment, 284
Palate
cleft lip and, prevalence in Japanese, 232
paralysis, idiopathic, in childhood, 241
perforation, rhinolith as a cause of, 486
triton tumour of, malignant, 120
reconstruction of
after removal of inverted papilloma, 115
using bilateral temporalis muscle flaps, 322
squamous cell carcinoma of, ectopic nasal dentition associated with, 58
Papilloma, inverted, reconstruction of palate after removal of, 115
Paralysis of palate, idiopathic, in childhood, 241
Parotid duct, congenital imperforate, 341
Parotid salivary gland, tuberculosis of, 514
Parotid salivary gland material, invested, radiolucency of ascending ramus of mandible associated with, 81

Paroxysmal trigeminal neuralgia, cryotherapy in the management of, 18
Pectoralis major muscle flap without skin in intra-oral reconstruction, 479
Pentazocine or nalbuphine with midazolam, comparative study of, 95
Periodontal disease, severe, multiple brain abscesses secondary to, 244
Photodynamic therapy with head and neck cancers, 1
Pneumosinus dilitans, 375
Polydioxanone for internal suspension and fixation, 250
Pulmonary metastases, ameloblastic carcinoma with, 503

R

Radiographs, post-operative, in management of simple zygomatic complex fractures, 292
Radiolucency of ascending ramus of mandible, 81
Radiotherapy, past, effects on postoperative complications of tongue resection with CO_2 laser, 464
Ramus of mandible, ascending, radiolucency, 81
Reconstruction
  intra-oral, pectoralis major muscle flap without skin in, 479
  of mandibular defects, delayed, intramandibular sliding myo-osseous graft for, 472
Reflex metrograph in three-dimensional measurement, 276
Reflex microscope in three-dimensional measurement, 276
Rhinolith as a cause of palatal perforation, 486

S

Salivary gland, parotid, *see* Parotid salivary gland
Sarcoma, osteogenic, in the tongue, 248, *see also* Fibrosarcoma
Scurvy, 258
Seat belt law, maxillofacial injuries and the, aetiology of, 353
Sedative combinations, intravenous, 95
Sensation following alveolar nerve injuries, recovery of, 177
Skeletal discrepancy, correction, stability of lower labial segment following, 190
Smoking, effects on post-extraction socket filling with blood and incidence of painful socket, 402
Socket
  dry
    incidence of, effect of chlorhexidine irrigation on, 395
    in Sri Lanka, clinical study, 410
  filling with blood, post-extraction, effect of smoking on, 402
  painful (post-extraction), incidence, effect of smoking on, 402
Splint localisation, rapid, new technique of, 155
Squamous cell carcinoma
  arising in an odontogenic keratocyst, 52
  oral, epidermal growth factor receptor expression on, 381
  of palate, ectopic nasal dentition associated with, 58
Stafne bone cavity
  radiolucency of ascending ramus of mandible analagous with a, 70
  xeroradiography in relation to a, 32
Synovial chondromatosis of temporomandibular joint, 297

T

Teeth, maxillary canine autotransplanted, inflammatory root resorption of, limited by early post-operative endodontic therapy, 364
Temporalis muscle flaps, bilateral, reconstruction of palate using, 322
Temporomandibular joint
  meniscectomies, 311
  pain, intractable, cryoneurotomy for, 26
  synovial chondromatosis of, 297
Three-dimensional measurement
  reflex metrograph in, 276
  reflex microscope in, 276
Tongue
  osteogenic sarcoma in the, 248
  resection with CO_2 laser, 464
Toxoplasmosis, cervicofacial, 70
Trauma, *see* Injuries
Trigeminal neuralgia, cryotherapy (cryoanalgesia) in the management of, 18
Triton tumour of palate, malignant, 120
Tuberculosis of parotid salivary gland, 514
Tumours, *see also specific tumours*
  lymphangitis carcinomatosa of the lungs as a complication of oral-, 228
  triton, malignant, of palate, 120
  head and neck, photodynamic therapy, 1

V

Vestibuloplasty procedure, fixation of alveolar ridge mucosa during, 370

W

Wisdom tooth removal, pain assessment following, 284
Wound healing, effect of infra-red laser radiation on, 12

X

Xeroradiography in relation to a Stafne bone cavity, 32

Z

Zimbabwe, maxillofacial injuries in, retrospective studies of, 435
Zygomatic (complex) fracture
  emphysema complicating a, 141
  treatment, mode of, influence on healing process of infraorbital nerve, 419
  post-operative radiographs in management of simple, 292
